

John Jones

John,
It's been
great and so many
years and I hope
we can become
better friends
hope to see you
next year on the
court. Love always
John Haver

John

Maybe if you were
a little bit taller
you'd be the same (maybe)
No really it's really been
great knowing you all
these years. I hope you are
happy & good as you are
and you'll make it in
life. I hope I have a
happy life too.

John

If you are a one
thing a kind of being
a great person, also
a great friend, I have had
a fun time in French class
with you.
Love always
John

John,
I don't know but
I get a lot of hope
next year with you
in the future. I hope
I have a fun time
with you.

Understanding And Hard-Working

Her charisma gives radiance to the everyday. Her organization saves time and lends efficiency to the classroom. Her hardworking energy is the motivating force behind the Student Council. Her perception causes her to always stop her work to say, "What's wrong? Is there anything I could do to help?" She shares in the joys as well as the sorrows of those around her. She treats her students as individuals. Her maturity does not hinder her fun-loving kiddishness. She is a Garland High School graduate who knows tradition and has returned to serve and to carry it on. Overall, she is like a stained glass window whose colors shine forth fed by inner life and create beauty.

We the 1978 Owl's Nest Staff dedicate this yearbook to:

JUNIOR CLASS OFFICERS: Balch St. cv. president, Lisa Scherstrom, vice president, Judy McCreary, secretary, Lisa Bryan, treasurer, Brad Williams, reporter.

We Have Grown

The Junior year presents a foundation for the future. During this year there are many decisions to be made, and many questions to be answered.

The junior class of '78 either decides to prepare for college or their place in society after they graduate. Careers, jobs, and marriage plans are all considered before the final decision is complete.

This is an important year, for it is a year for growing, maturing, and most of all, learning independence and responsibility. This is a time to put the childhood years away and start a new, involved future.

FRESHMAN CLASS OFFICERS: Robin Moore, treasurer; Tias Brown, president; Linda Fain, vice president; Deanna Solley, reporter; and Dawn McKinney, secretary.

With New Surroundings

The freshman class has entered GHS with eagerness to know all about the school and its tradition, the people, and to learn more about themselves. With this enthusiasm, the class of '81 will carry their pride and spirit all the way to their last year, and they will play a major part in the Owl student body.

Student Life

Only a glimpse of a student's life can be captured within these pictures. They are too busy and too colorful to be contained on the pages of any book.

Yet, maybe the pictures will bring back memories of the laughter and excitement of high school. For these days will soon be only part of the past to remember and cherish for a lifetime.

Anticipation

Each day of our life we anticipate the challenges ahead, wanting our dreams to correspond with reality. In looking forward to these events, we share the joy and excitement of athletics, dances, and academics with those who mean the most to us, our friends. Our plans can be visualized in our actions today as we look forward to all our tomorrows.

(1) "I'm not going to do anymore of this work," says Bill Levy. (2) "And tonight he can take me to Ports-O-Call," thinks Kim White. (3) Band members prepare for a pep rally. (4) Rhonda Richard is so excited about this parade! (5) Choraliars await Mr. Bragg's next cue. (6) Varsity football players get so fired up for pep rallies. (7) "Would you look at that!" says Jeff Schwenk. (8) What are you thinking Phillip?

Moods

Moods are a particular state of mind which can be caused by any number of things such as, important football games, ups and downs of friendships and homework assigned by teachers. So many different moods are expressed by the students of GHS, but only a few are captured on film. These moods are changeable and will change as we grow and learn together

Homecoming

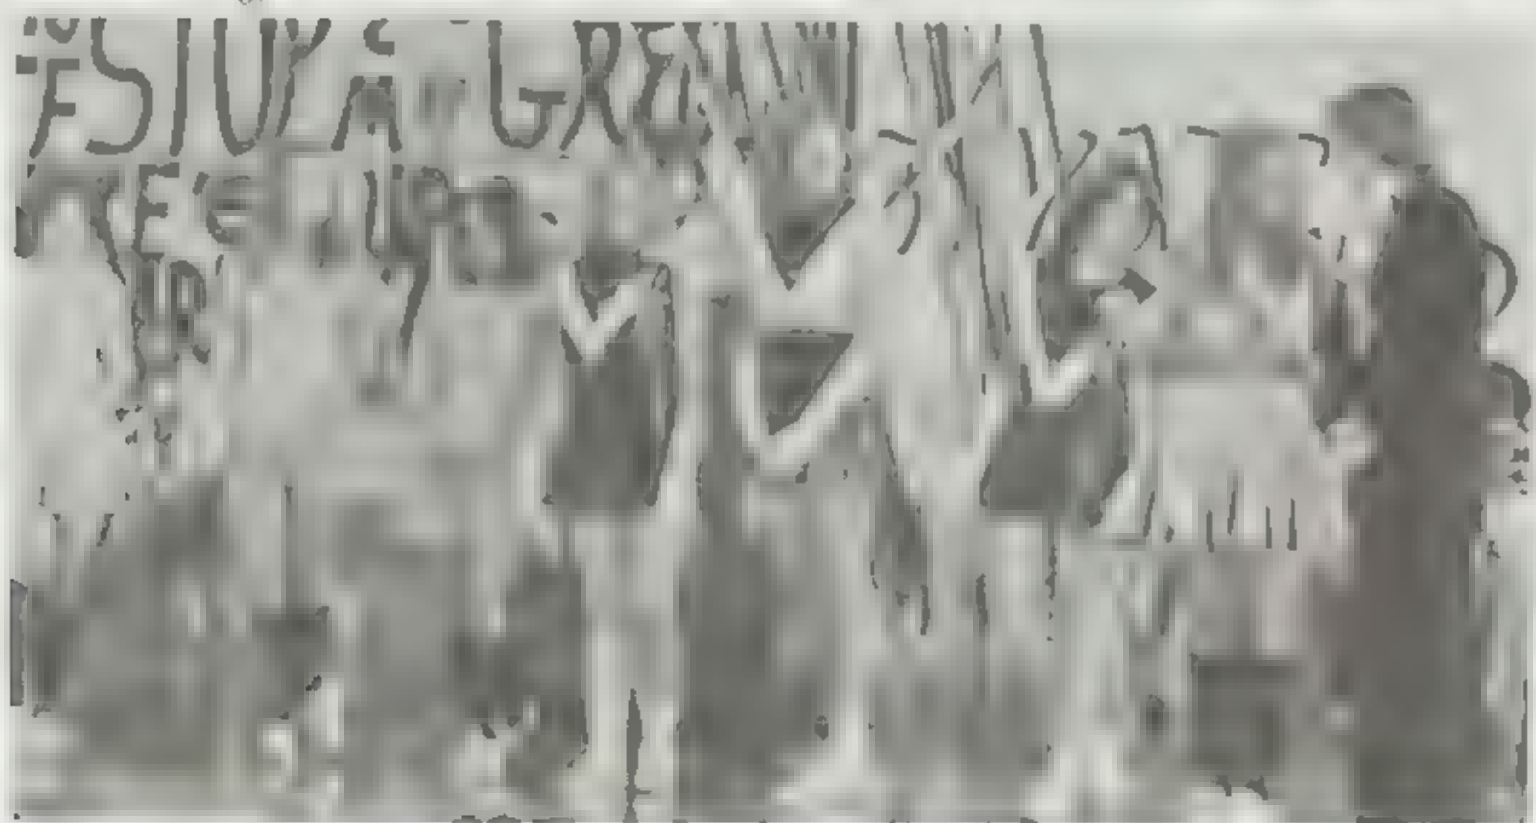

Throughout the entire year we look forward to a special time set aside for Homecoming activities. The thrill and excitement building up to the crowning of the Queen and Homecoming football game is found in the faces and actions of all who are or have been associated with GHS.

31

(1) Exes and their children return to attend Homecoming activities at GHS. (6) The excitement of being crowned Homecoming Queen for 1977 is shown on Sherrin's face as she holds securely to Mr. Butler's arm. (7) The eight nominees at Homecoming pep rally

Relationships

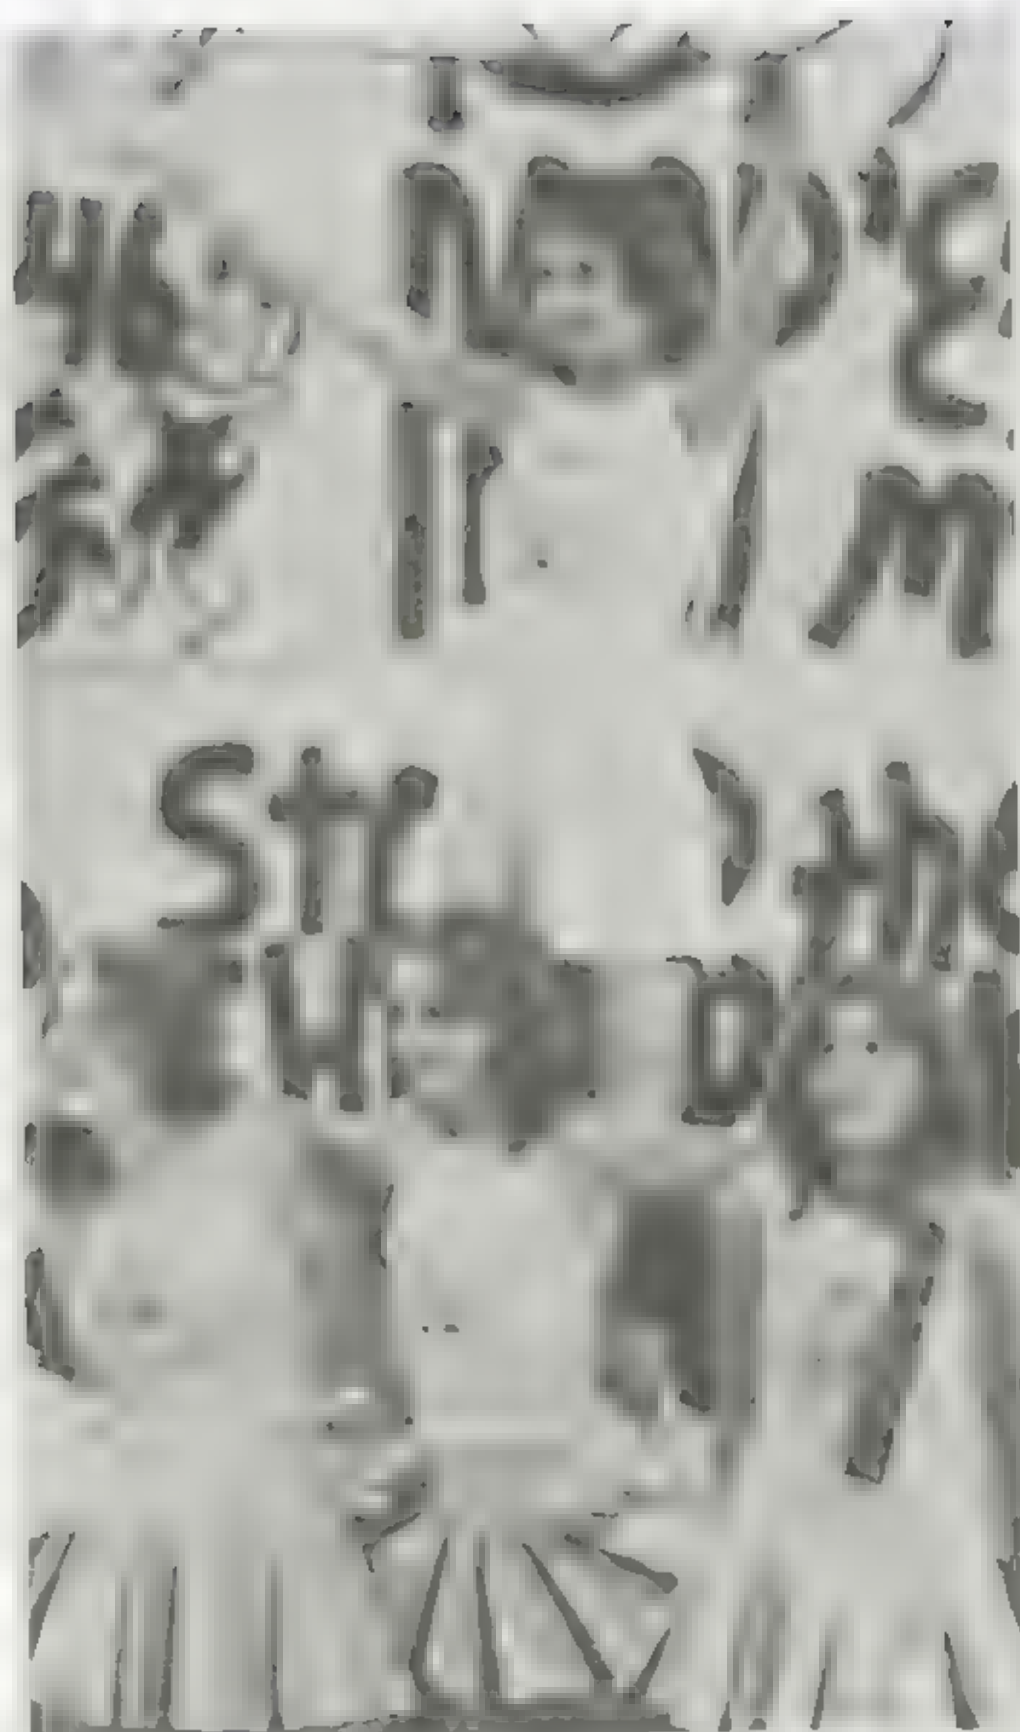

Each day of our life we spend time relating with others, the things around us, and sometimes with our own thoughts. The ways we choose to handle ourselves with life's unpredictable tomorrows and letting go while remembering our yesterdays, can make happier relationships for our todays.

(1) But Mr. Butler, she stole my glasses. (2) "I only have eyes for you!" (3) Angel Ayers just loves sitting at the assemblies. (4) Choir members play for the Christmas assembly (5) Ah, we're cool (6) Freshmen study hard (7) In the shade of the old apple tree

Spirit

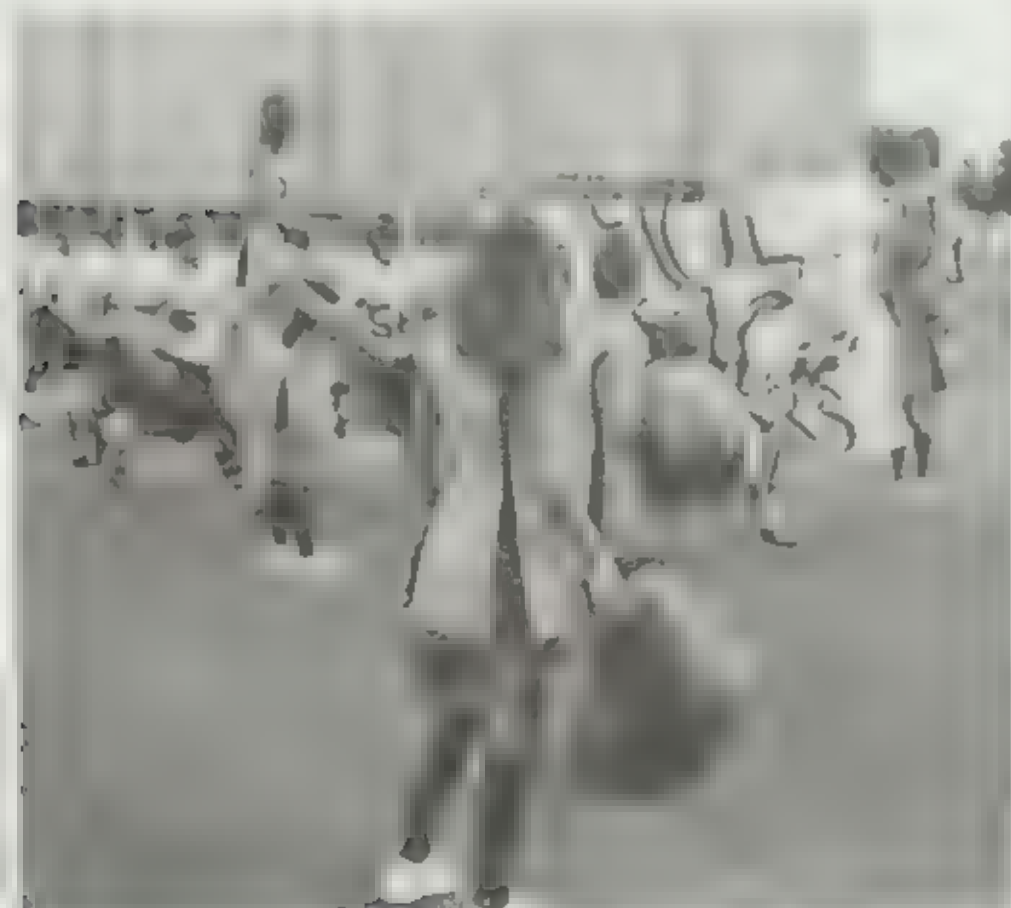

The spirit at GHS this year was constantly rising with the help of all the student body, parents, teachers and principals. Though some days we meet defeat, that doesn't stop our pride and spirit we feel for our school. It is the same with life, for some days we experience loss but that will not take away our pride or spirit

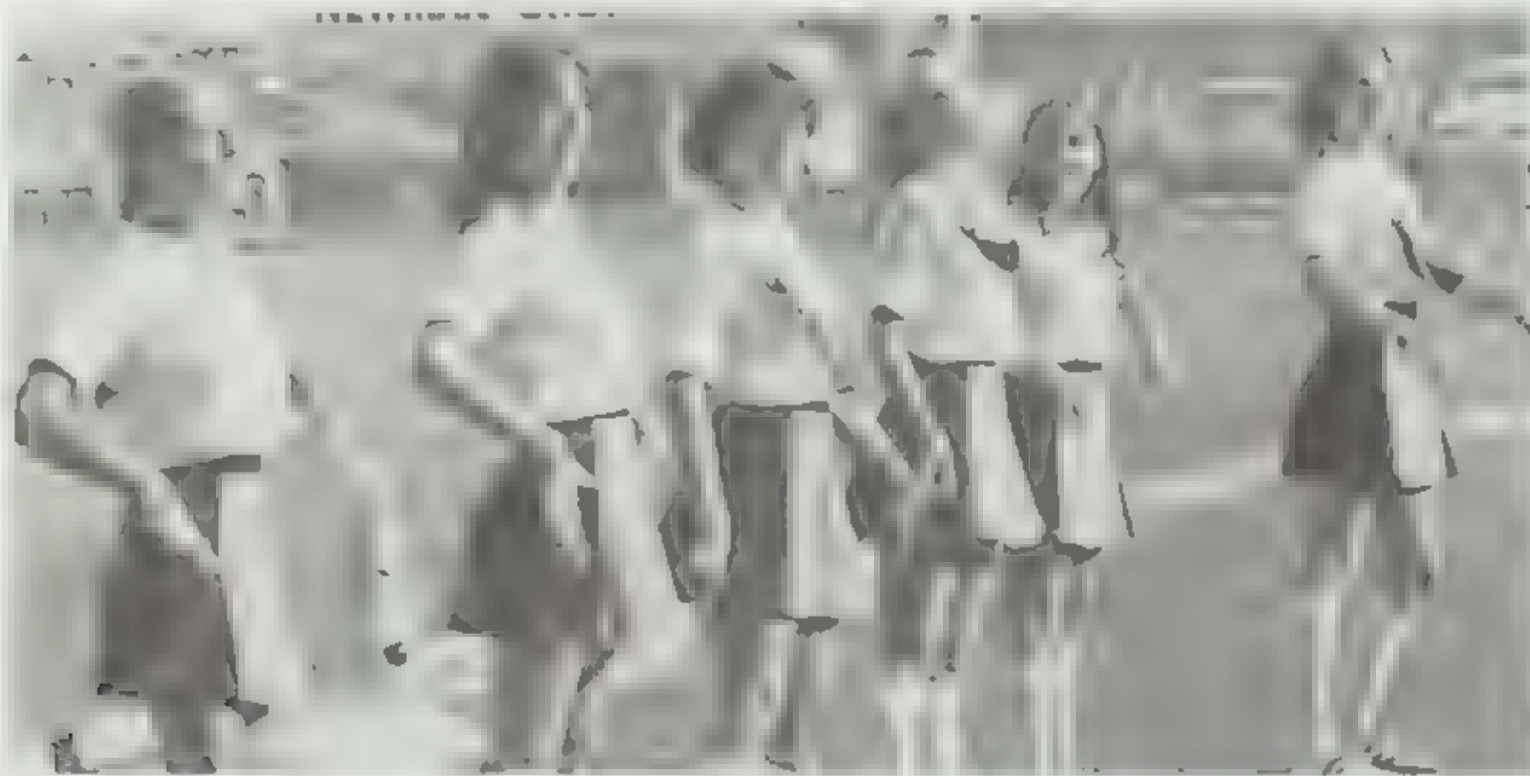

(1) "What a blast," thinks John Denson and Raymond Runnels. (2) Varsity Cheerleaders and one of their many stunts. (3) Anita seems to have some of the Debs' attention. (4) No sitting down, Robin. Individuality

Our individuality is what makes us different from all the people we see each day. We are all unique, and we like to be recognized as individuals and not "just like them." Since we all are a part of GHS, this is the characteristic we don't mind sharing with our friends.

(1) Yong Ko and Alicia Livingston make plans between classes at GHS

Performance

The time we spend practicing and working to perfect our school work and coordinating our talents with others are being reflected upon ourselves as a whole and the group as a whole. Our performance in participating to succeed at what we are striving reflect how much the goal means to us and if we are willing to work in order to gain it

Sports

The Garland Owls have long represented GHS through the numerous years in its existence. Since their beginning in 1924, the Garland Owls have become well known, both locally and nationally, for their outstanding athletic achievements.

Because of their years of service to the school and support of the Garland Owls, the years passed in this school, it has been able to build a fine athletic program. The years have been long and hard, but the results have been good. The years have been long and hard, but the results have been good.

ago.

Taking Each Game

Every year there is a special force behind the Owl football teams that seems to get overlooked. This force supplies a refreshment during the practices and games as well as treating all the players' injuries. This could be called a healing force, but it's much more. This force is called the Owl trainers. The trainers — Coach Mike Baker, Rickey Moore, Jan Whitehead, Marcy Butts, Monette Monroe and Randy Jackson — all work hard to keep the teams in winning condition. The trainers' jobs are many and seldom ever recognized but most of the players and coaches appreciate their work tremendously. A machine cannot run with broken parts. It needs good mechanics.

A machine also has to have an operator. The Owl machine was led by five operators (alias coaches) this season. Head Coach Joe Boring led the team this year in a victorious season. Coach Boring is sensitive to the needs of his players and is almost always willing to talk about problems. He works with the Fellowship of Christian Athletes when possible and is respected by student and faculty alike.

The offensive and defensive backfield coach for the Owls is Coach Robert Albritton. Coach Albritton teaches science at school and knows the science of football quite well also.

The job of coaching the defensive and offensive ends goes to Coach Gilbert Duran. Coach Duran is highly respected and liked by the students and faculty. Coach Duran truly cares about the players and is always open to talk. He is very involved at school and works with F.C.A., playing guitar and counseling.

Coach Jerry Halpin, a graduate of G.H.S., is in charge of the offensive centers and guards and the defensive linebackers. Coach Halpin works hard and is very dedicated to the team. Coach Halpin gets very emotionally up for the games and is an inspiration to the team.

Coach John Morris coaches the offensive and defensive tackles. Coach Morris is very well liked and is easy to get along with. He also coaches track which he led to the state meet last year. He is a definite asset to the team and school.

The coaches all work very well with each other and enjoy their job. Coaching is not the easiest job around, it takes special people that love the sport and love working with kids to do the job. These men are just that type as their efforts helped produce a 9-1 win loss record this season.

Statistics

Here stands the record of a few good men. A hallowed record which could not begin to tell the true story of the hard sweat and tears these men have shed for football. Some will never pass this way again but they will leave behind a certain pride, a pride that will stand forever in the hearts of the dedicated football players for the Oaks.

Understudying The

Coach Larry Hudson and Coach George Lyons

Leading the Junior Varsity to their six win, four loss record was Coaches George Lyons and Larry Hudson. The coaches felt like they had a successful season as the players worked hard and produced a winning record. Coach Lyons concentrated on the offensive and defensive backs while Coach Hudson worked hard with the linemen.

The young Owls started the season off on the short end of the score as they lost to the Skyline Raiders, 21-25. Terry Gambill threw two touchdown passes and Kyle Williams also scored. Winning the next game 41-15 against the Bryan Adams Cougars, the J.V. was on the track for six straight wins beating Berkner 20-18, Duncanville 25-20, Mesquite 35-14, Wilmer-Hutchins 21-18, and North Mesquite 17-16. The team was in the top standings in the league when the table turned and the J.V. lost their last three games. They lost to North Garland 14-32 in a close game for the title. They also lost to Highland Park 6-42 and to South Garland 14-32. The offensive line did an outstanding job this season as they blocked the way open for their runningback teammates. Taking advantage of the open holes was runningback Kyle Williams who ran for over 1,000 yards for the season. Tony Jackson was not easily tackled either as he rushed for over 700 yards at the other halfback. The fullback Roger Gracy blocked well all season and rambled for more than 500 yards. Terry Gambill ran the team at quarterback and did a fine job as he threw several completed passes this season. Scott Smith, a bare-footed kicker, did a fine job at the kicking game this season: he scarcely missed. The J.V. defense held strong against most of their opponents, so overall the Junior Varsity had a successful season.

Works Hard To

Being on the J.V. is the last step before the Varsity in which a good performance and growth as an athlete is very important. Next year they will step into a whole new world of challenges and tests. The J.V. had a successful season and now they are ready for the step up to Varsity football. Their destiny depends on their performance and these players are well-equipped.

Coach Larry Williams and Coach Jim Lewis

Coaches Jim Lewis and Larry Williams were the masterminds of the freshman gold team this year in their successful season. The gold team had a season record of six wins to only two losses in which one of the losses was a very close and exciting game. The coaches commented that the boys would be a definite asset to the Junior Varsity next year. They also commented on the consistent drive that the boys had even when the team was down. Being on the freshman teams is the first step to becoming an Owl football player, and these boys look good for the future teams.

The freshman black team fought to a 1-7 win-loss record. The coaches for the team Coach John Clay and Coach Jim Harris commented that the boys played well and that they would be a good booster to the Junior Varsity next year. The boys played well but just could not put a win together. They are looking forward to next year when they will join with the gold team and try their fate in Junior Varsity football.

The 1977-78 Owl basketball team, coached by Goree Johnson, were top contenders for the District 10-AAAA crown. Hard work, talent, team spirit, and an overall winning attitude proved to be the main factors for the success of the Owls this year. Garland who remained a top contender for the district title until late in season, finished third with Wilmer-Hutchins first and Highland Park second.

The Owls started the year with pre-season wins over Tremble Tech, Lincoln, and Lakeview. The team then suffered their first defeat against Bryan Adams, 64-55. Garland scored wins over Samuel, Berkner and Longview before losing to Broadus in the Lufkin Tournament. The Owls ripped by South Oak Cliff, 82-79, defeated Roosevelt, 72-55, Spruce, 62-56, and finished the pre-season, 13-8.

In the first half of district play the Owls defeated South Garland, 67-61, but lost to Highland Park, 61-57. Garland then won four straight district games with wins over Mesquite 70-62, North Mesquite 74-60, North Garland and Wilmer-Hutchins 107-96. Ricky Peirce scored 46 points against the Eagles to set a GHS record for most points scored in a single game.

In the second half of district play Garland won over South Garland 59-52, again lost to Highland Park, 92-71. Then defeated Mesquite 68-64, North Garland 76-60, and were defeated by North Mesquite and Wilmer-Hutchins. Garland finished district play with a record of 8-4 and a season record of 21-12.

Junior Varsity Players

The Garland Junior Varsity Owls, molded by Coach Jimmy Harris, used fast breaks and good hustle to rattle their opponents for an 18-15 season.

The Owls, who won 10 of their first 11 games, lost to Tremble Tech 74-73. Garland was outmaneuvered by Roosevelt, 72-57, and then defeated John Tyler, 69-47. The Owls ended the pre-season with 18 wins and 15 losses with two against St. Marks and Greenhill.

Garland bowed to South Garland, 71-60, in their first district game. Wins over the Scots of Highland Park 55-54 and the Skeeters of Mesquite, 67-65, added to the team's accomplishments. The team then hit a rough spot as they lost consecutive games to North Mesquite, North and Wilmer-Hutchins.

Winning was a familiar word with the Freshman Gold basketball team. Under the direction of head coach Jim Lewis the team achieved one of the best records in district play.

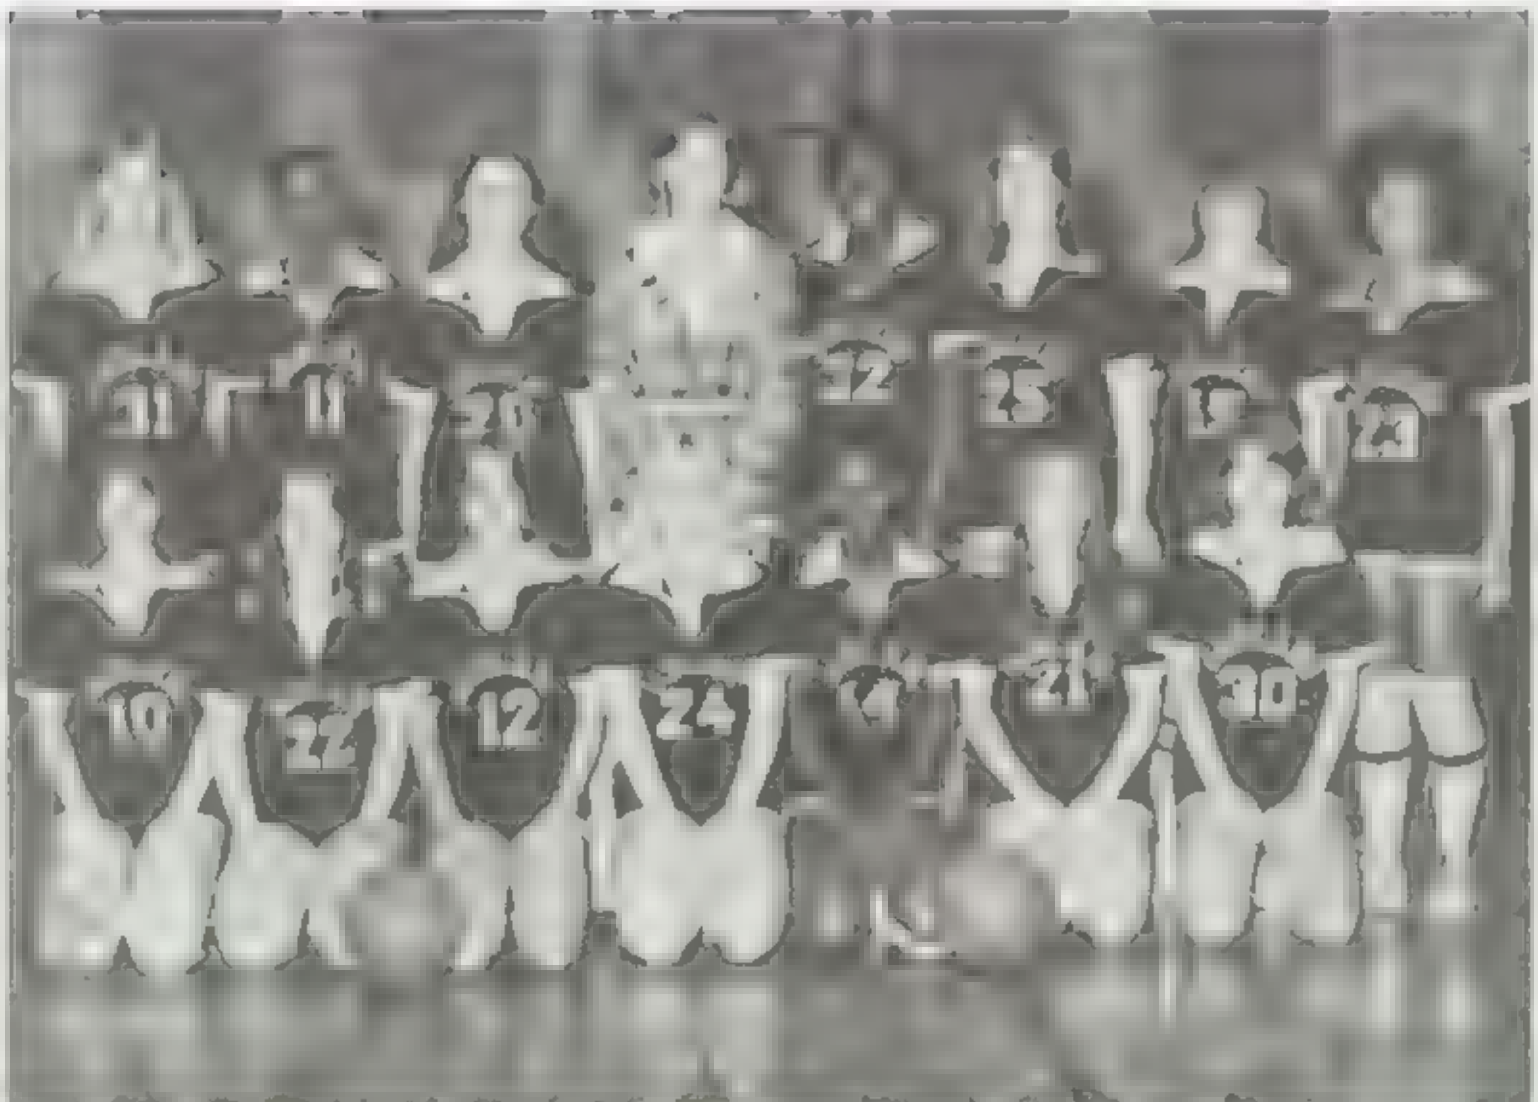

After winning their first two games over Rockwall and North Garland Black, the Gold suffered their first loss to Wilmer-Hutchins White, 83-64. The team then won 15 straight district and non-district battles with wins over Richardson, 52-43; Lake Highlands, 34-32; Garland Black, 51-50; South Garland Blue 54-40; and Highland Park Blue, 56-50.

Girls' Basketball Is

The Girls' Varsity Basketball second season is a competitive team. Returning starters were Robbie Worden, Dawn Shotwell, Tammy Hicks, Teresa Cole, Sherri Foster and Tressa Pierce, who helped the many new players learn the techniques and fundamentals of the game. Some of the teams competitors this year were: North Mesquite, Mesquite, North Garland, South Garland, Highland Park and Wilmer Hutchins. The team has made a lot of progress since last year and will move forward as the sport continues to grow in our school.

The Girls' Junior Varsity basketball team has improved since their first season of competition last year and will continue to improve under the guidance and instruction of Coach Boland.

This is Coach Boland's first year at Garland and she has managed to fit right into the swing of things.

After playing a few non-district games the team went right on into district play. Competition was stiff this year as they came up against teams such as North Garland, South Garland, Wilmer Hutchins, Mesquite, North Mesquite and Highland Park.

Although the team is still fairly new, it made a good showing this year and expects better seasons for the future.

Garland Owls

The Garland Owl Varsity baseball team began a prosperous season with competition against such schools as North Garland, South Garland, Wilmer Hutchins, North Mesquite, Mesquite, and Highland Park, which aimed for an improvement on their '77 record of 15-10. The Garland Owls will be a strong contender for the district title.

George Lyon's Owls return ten lettermen from their winning '77 team: Jeff Ablard, Tim Bivins, James Davis, Joe Everett, Greg Giles, Mitch Harrison, Keith Ivy, John Denson, Scotty Nix, Gary Prior, Steve Wade, and Greg Bass Manager.

The winner of district 10-AAAA will be decided in a different manner as opposed to previous years. The teams in district 10-AAAA played two full rounds of district. Then at the end of the rounds all of the teams competed in a district tournament where the winners advance into the playoffs.

Front row: Frank Klingsworth, Paul Sheekels, Keith Estes, Gary Prior, Steve Vogel, Jeff Ablard, Steve Wade.
Second row: Joe Everett, Mitch Harrison, Tim Hancock, Chris Hestrup, James Davis, Thomas Quintana, John Denson.

The Garland Owl's J.V. baseball team began the season with a young but hard working team.

Larry Hudson's J.V. team was composed of many players who are playing baseball at Garland High for the first time. These players though young will be able to contribute to the success of the J.V. team.

The J.V. team played about eight more games this season than the total of ten of last season. These games included one tournament and then the district round.

Tennis Team Rallies

The tennis team consists of twenty boys and girls. There were eleven returning lettermen this year. Eleven players won better than 50 percent of their pre-season matches. The team beat North Garland 2 out of 3 times, Lakeview Centennial 2 out of 2 times and has tied South Garland 1 time. Sally Taylor won 75 percent of her matches in pre-season and Ron Schwenk has won 65 percent. All district players from 1977 were Jeff Schwenk and Sally Taylor. The team played in a Dual match system with each team in the district.

Golfers Win

The Golf Team was relatively small this year, but that did not appear to hold them back. The golfers worked hard, giving many hours to practice after school on the Eastern Hill's Golf Course. The team participated in the Lewisville Invitational, Highland Park Invitational, Grand Prairie Invitational and several others which led up to the District 10-4A match held in April. The team finished up the year with a fine showing of their talent and full of anticipation for the years to come. Jack Gary coached the team this year and did an outstanding job.

Third row: Tommy Bradshaw, Marcus Darden, Mark Godseal, Robbie Parker, Chris Widmer, Randy Keenan, Jeff Curry.

The Boys' Soccer team has worked hard this year to make this season better than their previous one. The team has had to start from scratch this year with only three returning players from last year who were: Randy Keenan, Bruce Walters and Manuel Hernanez. Coach Waggstaff in his first year at GHS coached the team with the assistance of James Pollock, a graduated senior who played on the team last year. The team competed with other schools in the district such as: North Mesquite, Mesquite, Highland Park, North Garland, Wilmer Hutchins and Lake View. Future seasons look very optimistic for the team as they develop the new talent they have found this year.

Girls' Soccer Team

The Girls' Soccer team took on a look of hopelessness at the first of the season when only two girls from the previous season returned to the team. The returners were Annette Nelms and Robbie Worden. As the season continued the new players joined the team and began to catch on and contributed as much as they possibly could to the team.

Coach Spring has spent many hours working out with the team in practices held after school through the week and backing them at games held on Saturday afternoons. The team is anticipating great things for the future seasons as they continue to practice.

For the second year, Garland High has organized a girls' Volleyball Team. The girls spent many hours practicing their techniques and tactics in preparation to face other teams in District 10-4A. Opponents faced were Mesquite, North Mesquite, Wilmer Hutchins, and Highland Park.

The girls gave their fans several exciting moments on the court, winning or losing. They remained dedicated throughout the season and capitalized on their previous year's experience.

The Boys' Track team got off to a running start this year. They had nine returning lettermen to build a foundation on. The main events worked on by the team were sprinting, relays, high jump, long jump, pole vault, long distance, hurdles, and others. Meets competed in by the team were Mesquite Relay, Highland Park Relay, South Western Park and Recreational Relay, at Farrington Field in Fort Worth, Raider Relay at North Garland, Garland Relay at North Garland City Championship at North Garland, Texas Relay in Austin, WI White Relay in Dallas, District 10-4A Meet in Mesquite, Regionals in Denton at North Texas State and the State Finals in Austin. Back row: Coach Peterman, Peggy Clark, Evans, Tara MacDaniel, Robin Moore, Karen Baycock, Dawn McKinney, Sheila Mathis, Charlotte Coleman.

The Girls Track team had a good season this year with four runners returning from last year's team.

The returners were Peggy Clark, Rhonda Jones, Tara MacDaniel and Sheria Williams. Several new faces proved to be good competitors.

Some of the meets the team participated in were Pinkston Invitational, Polytechnic, in Fort Worth, Garland City Invitational, South Oak Cliff Invitational and Mesquite Invitational. The team also sent several girls to regionals at Denton.

Some of the events worked on by the girls this year were cross-country running, distance running, sprints, sprint-relay, hurdles, high jumping, and the long jump.

Third row Wayne Long, Mike Bos, Chris Rogers, Scott Baker, Wayne Conroy, Phil Rogers, David Woodward.

The swim team consists of both swimming and diving. There are eight girls and five boys. They all work out together five to six days a week. The work outs usually last around two hours. They swim one and a half to two miles a day.

Several school records were broken, and they placed second in the city last year. The team also won three out of five dual and triangular meets last year.

Monte Baker was the captain of the boys' team. This year he swam in the 100 and 200 yard freestyle. Wayne Long was the co-captain. He now holds the record in the 500 yard freestyle. Mike Bos qualified for the regionals. He holds the school record in the 50, 100, and 200 yard freestyle. Scott Baker holds the school record in the 100 yard backstroke.

Scotty Allen is the captain of the girls' team. She holds the record in the 100 yard breaststroke.

Varsity Cheerleaders

The 1978 award winning Varsity Cheerleaders started off early in the summer of 1977 to better improve their performance. During this time a workshop was held for Middle and High School squads from the city schools. Professionals came in and taught the girls new ideas and ways of improving their cheers. Our cheerleaders also attended several summer camps in the area.

The 1977-78 football season kept them busy with games, signs to paint, cakes to bake, and pep rallies to plan.

Junior Varsity Cheerleaders

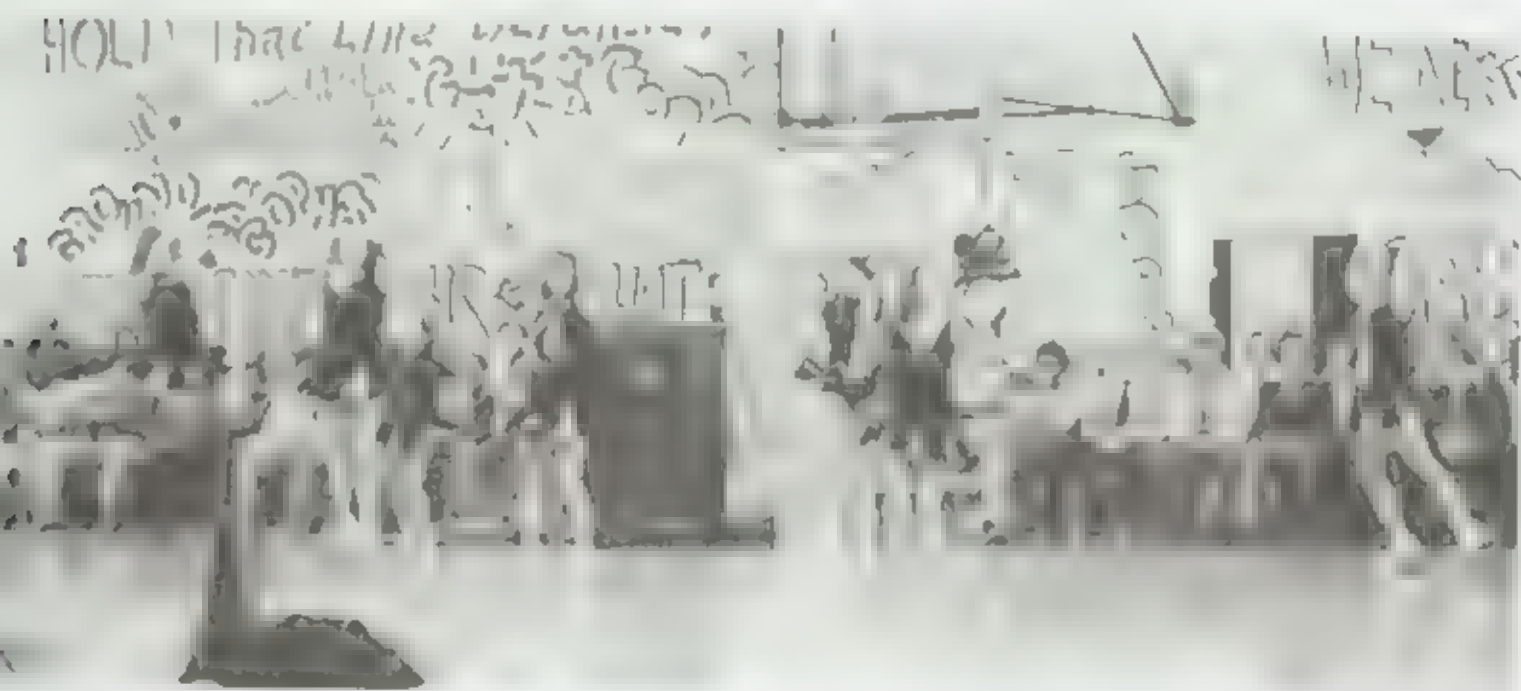

The 1977-78 Junior Varsity Cheerleaders urged school spirit during the many activities of the school year. They assisted the Varsity by painting four to six signs a week for the Varsity players. Each week, the JV hung signs for the pep rally and performed once during each Varsity pep rally.

Special activities included parties for the JV teams, presenting the Varsity Cheerleaders with flowers, and receiving their letter jackets.

The Black and Gold Cheerleaders worked hard throughout the 1977-78 season. Both squads attended camp with their superiors, the Varsity and J.V. During the football season, these girls painted signs and decorated the Ave. D wing halls.

A Freshman Cheerleader must learn many things when she comes to Garland such as: traditions, rules and cheers. To be a freshman cheerleader is truly an exciting experience.

The GHS Dashing Debs help promote school spirit and support our sports activities by performing at games, selling banners, hats, scarves, gloves and T-shirts. They also support the football team by decorating lockers and houses.

The debs learn a new routine for each game and practice daily to perfect their performance. At each pep rally, the Debs show their enthusiasm by participating with hand routines to the songs of the Band.

Clubs

Through its 27 organizations GHS is able to provide students with varying interests and talents, clubs in which they can participate. These clubs offer students a chance to learn, meet new friends and become involved at GHS.

Whether the student is the leader or member, his participation is what is important. For at GHS the student body's involvement is the key to her tradition.

Art Club

The Art Club members express themselves through various art forms which encourages investigations into the visual arts in addition to and beyond the usual classroom experiences.

Activities included the sale of T-shirts, field trips to local galleries and museums, and the sponsoring of a door decorating contest. An Art Scholarship was awarded to a graduating senior.

Band

There are several purposes for the existence of the band program at GHS. It provides an outlet for musical expression for students that are talented in this area. Many students become involved in band because of the varied activities provided; others join since they will pursue music as a career. In addition to concerts, contests, and parades, one big function of the band program is to provide color and support for athletic events.

The band also performs for civic events, and thus becomes a strong public relations group between the school and the community. In addition to these activities the band has social activities which include parties and an annual awards banquet.

German Club

As with other foreign language clubs the purpose of the German Club is to further the interest of the student in foreign languages.

During the year they took German related excursions. Examples of these are the Jeger Stube and Kuby's restaurants. This year some of the money making projects included selling candy and during international week the German Club sold sausage and rootbeer. The group also sponsored dinners at club members' houses, and all of the foreign language clubs celebrated with dinner at Christmas.

Spanish Club

Tacos, Enchilades, and "La Cucheracha" may be what the majority of people think of when Espanol is mentioned. However, to the GHS Spanish Club members there was much more involvement. From their dual interest in Spanish and an active fun club, they have formed both needs and learned added benefits of cultural understanding.

Through projects, such as selling book covers, special programs, which involved selling nachos on cold days and plain old get togethers to prepare Spanish dishes, they expanded their knowledge tremendously.

VICA

Industrial Cooperative Training is a program that provides training for the students in skilled occupations. The students' training is carried out through the ICT class, the school, and a selected training station in the community. The students attend classes in the morning and work on the job in the afternoon.

The knowledge and experience gained in ICT enables a student to pursue a trade of his choice after graduation or work his way through college.

The Garland ICT Chapter, 213, has won the Outstanding Chapter Award in District IX for the past five years.

Each year students attend district and state contests. They are involved in parliamentary procedure, speed skill events, student projects, and running for district, state, and national offices.

National Honor Society

Junior and senior students with at least an 11 point grade average and upholding high moral character are inducted into the National Honor Society in a candlelight ceremony each spring. A candle represents each of the club's values. They are scholarship, character, leadership, and service. The symbol of the club is a torch representing truth and honor.

The GHS chapter of NHS meet regularly on the first Thursday of each month to plan activities.

The club cleaned the windows of First National Bank to raise funds. One of their service projects was taking a Christmas dinner with extra food and gifts to an elderly couple that live in Garland.

On Valentines Day, the club sold Val-o-grams to the student body.

Artisan

The Artisan, the literary magazine at GHS, spent hours raising funds, conducting a sales campaign, and screening entries for publication.

Many types of work were eligible for publication including poetry, short stories, longer essays, and art work. All GHS students, faculty, and staff participated. Items were submitted until the end of January. February was a busy month for the staff as each article had to be read several times before any were chosen for the magazine. After the magazine went to the printer, the plans for the presentation assembly occupied most of the staff's time.

Owl's Eye

Typewriters clanking, pencil leads sliding, papers being crunched up, fervent voices whispering are the sounds of activity creeping under the door of the publications lab room during fourth period staff. On entering one might even imagine the computer sound of electronic minds hurrying to defeat the dreadful foe, deadline. And still the clock ticks on.

The rewards of the Owl's Eye staffer are numerous even if hard-earned; a publication honored by the University Interscholastic League makes all the sweat worthwhile.

Owl's Nest

Throughout the year, the Owl's Nest editorial staff kept busy planning and constructing the annual for the school. Each person had many responsibilities to fulfill and lots of decisions to make. Finding the right candid to fit a layout, identifying people, and writing copy were a few of the time-consuming jobs they faced.

The staffers, selected each spring by application, recommendations and previous academic performances, were honored at the Yearbook Assembly with awards as recognition of their contribution to Garland High School for 1978.

Business Staff

The financial responsibility of the annual is handled by the Owl's Nest Business Staff. The money is raised by selling subscriptions to the students and faculty members during registration. The next step is an advertising campaign where staffers sell ads by going from business to business in the Garland area.

The Business Staff also sponsors the yearly Popularity Ball. Much time is spent planning, buying, and decorating for the dance.

The end for the Business staff comes after the final distribution of the yearbook. Staffers man their posts to distribute the book to each student and faculty member.

Administration — Working For

Under the leadership of Dr. Eli Douglas, the G.I.S.D. has made tremendous progress towards better education in our system. The G.I.S.D. has developed a fuller more profitable education for all students. It strives to educate the entire person academically, physically and emotionally. When the student meets these requirements he is ready to meet the responsibilities of life. The G.I.S.D. works toward these goals

Fine Arts And Business

The Business and Fine Arts Department develop a student's talent into a skill that he can use in life. The Fine Arts Department includes Art, Music, and Drama. The Art challenges the student's creative power in expressing himself. Music is also an expression of the student's ability through his performance with a group or alone. Drama helps the student learn to perform in front of an audience and to express his emotions to others

The Business Department helps develop a skill that the student can use for employment and equips him with knowledge and ideas essential for achieving success

English Improves

The English and Foreign Language Departments, together with the Librarians create an awareness of the role language and literature play in life. They help the student develop a form of expressing himself whether it is orally or by written composition. A sense of responsibility is attained by student who learns to use his own language or a foreign language in his public or private life.

Math — Sciences — Social Studies

The Math, Science, and Social Studies Departments at GHS are striving to help the students develop their ability to analyze, think and inquire for themselves. Mathematics develops accuracy and competence in solving problems and other processes upon which technical progress depends. Science develops the student's inquiry for knowledge so that he may discover and interpret scientific facts, learned in the laboratory. Social Studies which includes history, government, geography, economics and sociology develop the student's ability to think for himself and also provides him with information on relationships both past and present.

Vocational, Industrial Arts, P.E.

The Vocational, Industrial Arts and Physical Education Departments at GHS prepare the student for life after high school. The Vocational Department offers programs in agriculture, office, health, and mechanical occupations that the student can choose to prepare himself for employment in that field. The Industrial Arts Department gives the student basic knowledge of our industrial society so he can gain occupational information or acquire skills for leisure time pursuits. The Physical Education Department, including health, provides courses and activities to develop the student's understanding of the practices necessary to maintain physical, social, emotional and mental health.

The Counselors and office staff jobs are organized around the interest of the student. Counselors have all test information that has accumulated throughout the student's school career. The student can contact the counselors for a private conference to discuss class choices, vocational planning, and obtain college information. The office staff is there to help the students and teachers. Attendance clerks record absences, and teacher's aides help teachers with clerical work and preparation of visual aides.

Custodians And Cafeteria

The Custodians and Cafeteria workers are the people behind the scenes. Their services are vital to the school's upkeep. Without the cafeteria workers our lunchroom would be lacking the smiles and help these ladies bring into it. The Custodians should be recognized for the good job they do in keeping our school clean and the help they give to the students by providing a clean working atmosphere.

Though they may appear somewhat unimportant the photographs themselves are of great value. It is through the many memories and experiences that have been contributed to GHS, this yearbook might not be possible.

These photographs preserve the local history within our city, which has long been a tradition in Garland.

SAVING TIPS

on electric air conditioning

Central Systems

1. Set thermostat on 78°, or higher
2. Have equipment checked seasonally by qualified serviceman
3. Check filter every 30 days. Clean or replace when dirty
4. Keep furniture, draperies away from air outlets and returns. Clean grills often
5. Close draperies and blinds to keep out sunlight
6. Keep fireplace damper closed
7. Proper home insulation keeps heat out, cuts energy use
8. Weatherstrip doors and windows. Caulk cracks
9. Keep windows closed. Open outside doors as little as possible

Window Units

Follow above suggestions, plus these:

10. Buy units with *highest* "energy efficiency ratio" (EER). If EER is not on sales tag, ask for it or figure it yourself. Divide "wattage" into "BTU" capacity

11. Place unit where it'll get as little direct sun as possible
12. Aim air outlets at lower half of doorway to next room to allow warm air from that room to enter at the doortop for recirculating
13. Never vent air conditioner into garage. Ventilation is usually too poor for top performance of your unit

What will your Electric Bill be next month?

Or next winter?

Our BUDGET BILLING system can help you plan ahead. Owners of all-electric homes are eligible for this service, which averages the cost of your yearly electric bill over a twelve-month period.

You pay the same amount each month. If you use less electricity than you paid for, the credit is figured into your next year's monthly total. Of course, if you used more, you pay more.

Check with us for information.
Don't let your electric bill
catch you by surprise.

Farewell

the first time I ever saw you, I was so happy to see you. You are
a very special person. I hope you will find this story as interesting as I found it. I
will find it full of treasured memories which you can share with others in your
future. Even though the contents of it is a small excerpt from our daily lives, I
hope you will find it interesting. I hope you will find it interesting. I hope you will find it
everything.

Sincerely,

Richard A. Oliver

Editor-in-Chief

Owl's Nest

oh my god
I'm glad that
you're still
here. I hope
you can be
happy.

Love,
Kaitlyn
